Dear Ms. Mancos:

This is in reply to your request for information regarding the "Sanitary Landfill Company (IWD) Site, 1855 Cardington Road, Montgomery County, Moraine, Ohio."

A review of our available records does not indicate any record that the Ohio Department of Transportation (District 8) did any business with the above referenced company. The Ohio Department of Transportation (District 8) has not disposed of any hazardous waste with this company or at this site.

However, a long term employee recollected that in the 1960's or 1970's, the Ohio Department of Transportation may have used this company for disposal of common refuse.

The only other question to which I can respond is that the Ohio Department of Transportation has no insurance coverage relating to hazardous substances.

Very truly yours,

LLOYD H. WALLACE, P.E.
DISTRICT 8 DEPUTY DIRECTOR
